the Residents of
Daggett,
Duchesne, and
Uintah Counties***

**Weatherization
Assistance
Program**

What is the Weatherization Assistance Program?

Weatherization is designed to save energy dollars for low-income individuals and families.

(Particularly the elderly, disabled, and children under the age of 6.) This program is multifaceted in that it helps clients with energy education, practical experience, indoor air quality, combustion safety, increased energy efficiency, and the physical comforts of a fully weatherized home.

What do we do?

Our certified energy Auditors will conduct a visual home inspection, take the information and enter it into a computerized energy audit which determines what type of energy saving measures will be installed in the home.

Services may include: insulation, windows, doors, lighting, caulking, weather-stripping, furnace maintenance and repairs.

How do I apply?

A Weatherization Application may be obtained from

**Uintah Basin Association of Governments
330 East 100 South
Roosevelt, UT 84066**

The following documentation will be required to be considered for Weatherization

Assistance:

- 1. Completed Application*
- 2. Verification of household income OR Current HEAT Certification*
- 3. A completed billing history release authorization form*
- 4. Proof of ownership (copy of title or current tax roll mastery record)*
- 5. If rental - A signed and notarized Landlord Agreement*
